Skills

- **Languages**: Java, C++, HTML and CSS
- **Frameworks**: Selenium WebDriver, Junit, TestNG, Rest API
- **Tools/Platforms**: Git, Postman, Postman, Figma, Jira, Maven
- **Testing Expertise**: Manual Testing, SDLC, Object Oriented Programming (OOPs), UI/UX Prototyping
- **Soft Skills**: Continuous Learning, Consistency, Adaptability

Experience

Summer Trainee | Lovely Professional University |Certificate — Jun' 25 – July' 25

- Applied UX and accessibility principles learned from Figma to identify 5+ usability edge cases, helping improve test coverage for real user workflows.
- Practiced wireframing and prototyping by designing basic UI layouts and user flows for better understanding of application design.
- Focused on accessibility, usability, and visual consistency while reviewing UI designs to ensure a better user experience.

  Tech Stack: Figma

Projects

Sauce Demo UI Testing | Github — Oct' 25 – Nov' 25

- Built automation scripts using Selenium WebDriver with Java to test important UI components and basic user actions on the Sauce Demo application.
- Used different locator strategies like ID, Class Name, and attributes to find elements and perform actions on web pages.
- Checked the complete login flow, page title, URL, and navigation to make sure the user is redirected correctly after login.

  Tech Stack: Java, Selenium WebDriver

Wikipedia Search Automation | Github — Oct' 25 -– Nov' 25

- Created automation scripts to test the search functionality of Wikipedia using Selenium WebDriver and simulate real user behavior.
- Used XPath and ID locators to identify elements and perform search operations on the website.
- Verified search results and page navigation to ensure users get correct results and are redirected to the right pages.

  Tech Stack: Java, Selenium WebDriver

Certificates

- Cloud Computing | NPTEL | Certificate — June' 25
- Java| I am Neo Coursera | Certificate — March' 25
- The Bits and Bytes of Computer Networking | CourseEra | Certificate — Sept' 24

Education

- **Lovely Professional University** — Phagwara, Punjab
  Bachelor of Technology — Aug' 23 – Present
  Computer Science and Engineering; CGPA: 6.34
- **Holy Cross School** — Ghatotand, Jharkhand
  Intermediate — March' 20 -March' 22
  PCM; Percentage: 72.17
- **Holy Cross School** — Ghatotand, Jharkhand
  Matriculation — March' 09 -March' 20
  Percentage: 74.4
